Re: VAR-23547 and SDR-23545
Variance for 2301 E. Sahara

Dear Mr. Reed:

Our office represents the applicant in the above-referenced matters. We respectfully request that these items be held from the presently scheduled Planning Commission hearing of October 25, 2007 until November 29, 2007. The additional time is needed to allow the applicant more time to re-design the building elevations to incorporate portions of the existing building on the site. We have been working with the Atomic Age Alliance on the re-design and believe we have come to a compromise.

Thank you for your cooperation and please call if you have any questions.

Sincerely,

KUMMER KAEMPFER BONNER RENSCHAW & FERRARIO
